THE PRACTICAL GUIDE TO WINE

U.S. WINES TASTING SUBMISSION FORM

We accept and taste all varieties and blends on a rolling basis for each issue's **American New Releases** section. Certain varieties and styles, however, receive particular editorial focus. If you would like to submit wines for a given issue's tasting focus, please refer to the **SUBMISSIONS CALENDAR** on our website:
http://www.wineandspiritsmagazine.com/wine-submissions
THIS FORM IS FOR **U.S. WINES ONLY**
All international submissions should be sent to our New York office.

INSTRUCTIONS for sending samples (there is no charge for submitting wines):

1. **Send two (2) bottles of each wine.**
   - Submissions sent with only one bottle may not be reviewed or scored.
   - We prefer recyclable cardboard packaging to styrofoam.

2. **Send only wines that are current releases and have not been submitted previously.**
   - Non-vintage sparkling wines may be re-submitted once a year.

3. **Please include prices and case production information below.**
   - We must have suggested retail prices in order to report scores of your wines. If you cannot send prices with the wines, please e-mail them to gmillar@wineandspiritsmagazine.com.

4. **Complete one form per winery / brand.**

5. **It is not necessary to notify us that you are sending samples.**

Please return a hard copy of this completed form with EACH box of samples being sent to the address below*:*
